UTS College

# Start your journey to the University of Technology Sydney with UTS College in Chattogram

utscollegebangladesh.org

# Your ultimate destination – the University of Technology Sydney (UTS)

## Welcome to your pathway to Australia's top 100 university#

If you want a guaranteed* place in a young, innovative, technology-focussed university in the heart of Australia's entrepreneurial and business capital Sydney, then you have come to the right place.

When you study one of our degree pathway (diploma) programs with UTS College in Chattogram, you'll benefit from, small class sizes and practical learning, designed to help you realise your full potential and give you skills to succeed at UTS.

## Part of UTS

Our courses are designed in collaboration with UTS. This means the educational outcomes for pathway students are the same as for first year students studying a UTS undergraduate degree. So you're getting the same world-class university standards right from day one of your studies.

## About UTS College in Chattogram

Our transnational education pathway is the first in Chattogram. UTS College in Chattogram provides a pathway to UTS degrees from Bangladesh.

Our program is designed to help students achieve the best preparation to succeed in their degree. Students will undertake their first year in Chattogram and, if successful, continue into the second year of the UTS degree in Australia*.

## Entry to UTS

Study a degree pathway (diploma) program and when you successfully complete your studies, you'll receive guaranteed entry* to the corresponding UTS undergraduate degree. You can choose from pathways in business or information technology.

**Professor S M Nasrul Quadir**
Vice Chancellor
Premier University

We are proud to announce a dynamic partnership between UTS College, one of Australia's most prestigious institutions, and Premier University Chittagong (PUC), a leading private university in Bangladesh.

This collaboration brings together world-class academic expertise and a shared commitment to excellence in education. PUC's outstanding contribution to Bangladesh's cultural and educational development is both inspiring and impactful, with significant influence on the nation's socio-economic progress.

With the inclusion of UTS College, this alliance is set to reach new heights—delivering top-tier academic programs and global learning opportunities. Together, UTS College and PUC are opening new doors for the knowledge seekers of Bangladesh, empowering them to pursue their dream careers with confidence and international exposure.

We warmly welcome you to be a part of this transformative journey.

**Morwenna Shahani**
Chief Executive Officer
UTS College
Australia

Our partnership with PUC is the first of its kind in Bangladesh and combines the best all parties have to offer. Blending the experience of UTS College in transnational education to deliver first-year equivalent studies in IT and Business along with academic English, with the quality of the PUC faculty and facilities.

After studying the equivalent of UTS first-year IT or Business with PUC, you will fast track to the second year at UTS in the heart of Sydney, Australia. Having gained the advantage of familiarising yourself with the most advanced learning model while studying at home, you will arrive in Sydney fully prepared to succeed in second year at UTS – a world-class university in a world-class city.

* Based on successful completion of your diploma with no more than two subject failures and depending on the UTS program you choose.

# Your ultimate destination – Sydney

## Whether you start your study in Bangladesh or Sydney, you will be able to expand your horizons in Sydney with a global education.

Sydney's reputation as a safe and friendly city is one of the reasons why 208,000 international students* choose to make it their home-away from-home. As you settle into student life, you'll become part of the supportive multicultural community that exists throughout the city. You will enjoy the friendly buzz found in local cafes, galleries and shops. With new friends and a supportive network around you, your transition to life in Australia will be a rewarding and exciting adventure.

### Explore the natural wonders Sydney has to offer

When you call Sydney home, you'll enjoy the natural and cultural wonders that people all over the world only dream about. There's so much to see and do when you're not studying, like visiting the beautiful beaches and exploring the nearby national parks. The frequent sunshine also brings the city's sights to life. Sydney's central business district (CBD) has an excellent public transport network, so you can easily and safely explore this thriving city. And when you need to travel interstate or overseas, you are close to Australia's biggest international and domestic airports.

### One of the best student cities in the world#

Imagine waking up in Australia's most vibrant, diverse and beautiful city. Welcome to Sydney — the nation's cultural centre and business capital. UTS is located in the heart of Sydney, surrounded by some of the world's biggest, most successful and innovative companies. These organisations create hundreds of graduate employment opportunities each year. But there's so much more to Sydney than its thriving business and commercial centre.

# Reasons to choose UTS College at Premier University

## A better way to learn

At UTS College we don't just teach you course subjects; our learning model focuses on lifelong learning skills.

This means small classes, practical assessments and an emphasis on collaboration in and outside the classroom. So, you can evolve and adapt to challenges and opportunities not just for today, but in the future.

## Opportunities to save

By starting in Bangladesh, you can

- benefit from lower tuition fees
- save on living costs in Australia
- save time with 8 or 12-month diplomas
- save time with multiple start dates
- access scholarships.

## Guaranteed entry to UTS*

Study a UTS College diploma and when you successfully complete your studies, you'll receive guaranteed entry to the corresponding UTS undergraduate degree*. In fact, most of our diplomas will take you straight into the second year of your UTS degree. In Bangladesh you can choose from diplomas in the areas of Business and Information Technology.

*Based on successful completion of your diploma with no more than two subject failures and depending on the UTS program you choose.

## Study at Premier University

You will be immersed in your study at Premier University Chittagong in a purpose built international precinct. You  will enjoy a vibrant campus life and make many friends with whom you will continue your studies in Australia.

## Student support

Support services tailored to meet the needs of our students.

- 24/7 online tutor support
- Study Success Advisors
- Learning Management Systems allowing you to study anywhere, anytime in a fun and engaging way.

## Scholarships

As part of our ongoing commitment to educating the world's future leaders, UTS College and UTS are proud to offer a wide range of scholarships for both new and continuing students.

Contact us for details.

## Global experience

We recognise there are many benefits from starting your degree at home then finishing your award in Australia. UTS College has centres similar to Bangladesh in Sri Lanka, Indonesia, Vietnam, Korea and China so you will be part of a global network from the start.

## Our students come first

Because we value our students, UTS and UTS College provides services — many of which are free — to help you along the way. Student services include: English language support; study support; career development; confidential medical and counselling services; sports organisations and facilities; peer networking and peer support.

"The education quality, global ranking and research facilities also attracted me to be a part of UTS.
I felt starting with UTS College would give me the best opportunity to cope with a new education system and prepare me for UTS."

**Jubayer Mahumd Nasif**
from Bangladesh
UTS College Diploma of Information Technology
